

## A MESSAGE FROM STEPHEN

Hi all, I have just gone three months in my new role as CEO for McFall Fuel. The time has just flown by, and I'm enjoying every minute of it.

I have started to get a good feel for the business and how it operates. What has impressed me most during this time is our Customer and Community focus, 'can do attitude', and the pride everyone takes in their work.

I had heard about our team's response to Cyclone Hale in January, and then again with Cyclone Gabrielle in February. How the team rallied together in their communities, with council and emergency services staff, to keep the fuel going to help support those most impacted.

On a different theme, but going to our sense of pride, 'The Complete Package' offering we provide, which includes Bulk Fuel, Fuelcard, Fuel Tanks, Lubricants; Service, Tanks Repairs & Maintenance, is a great way to save time and to help you focus on other aspects of your business's needs. By bringing all these elements together, we can help you save time and money, and take some hassle out these business essentials. If you want some additional information around how we can help you, please direct your enquiring to your local area sales manager or call 0800 623 255 , and we would be happy to help.

All the best for running out the Winter season and catch you all again soon. "

For us, the regions most impacted were Gisborne and Napier.

I can see now how those McFall attributes I mentioned, had come together, to serve our customers and communities. We have a sense of pride in how we go about our business.

## Eggsellent Price For Laying Hens At Livestock Markets

With egg shortages and soaring prices farmers, suburban dwellers and lifestyle blockers are rushing to buy free range and barn layer hens

Trade Me figures show searches for chickens and related items have increased 77% . The cost of a laying Hen is anywhere from \$30-\$65 dollars each but PGG Wrightsons livestock sales have seen them reach up to \$80 each.

Three layer hens can produce, around 18-20 eggs a week. There's definitely satisfaction in fresh eggs from a happy chicken but buyer beware they work for their keep but they're not cheap.

Talk to your local area sales manager or call 0800 623 255

## CELEBRATING 10 YEARS

July saw McFall Fuel celebrating it's 10th annual conference, celebrating staff for their 5 to 20 years of service. This included 10 years of service for outgoing CEO Sheryl Dawson. Sheryl says "it's been a fabulous 10 years with the company, seeing it grow to North Island wide, and the outstanding growth within the staff of McFall Fuel. It's been an absolute pleasure working with all. Love your work!"

We wish Sheryl all the best and a big thank you for her outstanding 10 years of dedicated service.

## WHATS ON THIS MONTH

McFall Fuel is a proud sponsor of Good Neighbour.

Good Neighbour exists to provide practical support and opportunities, and most importantly human connection, to vulnerable people in the Bay of Plenty.

Sign up to help us "Share the Warmth" to keep families warm this winter. Wear your winter woolies on 18th August to show your support.
