### INSTRUCTIONS

- Please choose one of the options from the Fuel Card Purchase Options and place it in the Purchase Options Code Below to ensure that your cardholders do not use the fuel card for any other purpose than the one you specify.
- **Ad Blue is available by fuelcard under Diesel, Fuel and All Purchases codes.**
- RUC's can also be purchased – ASK US MORE
- Fuel card references are what you require for reporting purposes, you can use one reference field or all three. Driver names and/or registrations can be used, similarly Fleet numbers etc. Each Reference has limited characters available. **All reference fields are embossed on your fuelcard.**
- **PINS are mandatory. Please specify your four digit PIN for each card.**
- **A Transaction Fee of 6% will apply to all non-fuel purchases made on the fuel card.**
